Total items listed in this report: 46

Style Notes: 1. The foundational information in the report is a compilation of source material provided by Farny Wurlitzer to Q. David Bowers during the mid 1960s, and then corroborated (with any typos corrected or missing information filled-in) against the Wurlitzer Factory Shipping Ledgers (courtesy of David Reidy).

2. Semicolons (;) separate individual items in notations; periods are absent unless present in the source text.

3. The original source material has been slightly edited and obvious spelling and location errors corrected, but in all instances the original intent has been preserved. Otherwise the reader would be confronted with an endless number of annoying (sic) notations.

Editor Comments: From a Nov 18, 1913, letter from the Cincinnati office of the Wurlitzer Company to Mr. Frank Cash (owner of Five-Mile Inn and a Wurlitzer distributor), states that "You will remember, we changed this [Style 4 Paganini] from an Ash case to Mahogany, and it looks very nice indeed. We put art glass on it and also a statue and feel sure that Frank Cash will be pleased with it, at least he ought to, because it looks much nicer than I ever thought it could."
